# What Is AfiniTRAC®?

AfinaTRAC is a support program for eligible patients taking AFINITOR® (everolimus). The program provides 1-to-1 telephone support directly to patients through AfinaTRAC Care Champions.

AfinaTRAC Care Champions provide comprehensive educational support, including help with an AFINITOR treatment routine and reminders to patients to take medication as prescribed. Each Care Champion is a registered nurse (RN).

## How your Care Champion can help

Additional day-to-day patient support resources can provide information on a range of independent support organizations that offer services to complement your medical care, from transportation and meals to home cleaning.

The information obtained through the AfinaTRAC program is not intended to replace the advice and guidance of your health care team.

## AfiniTRAC® Care Champions

are RNs, each with experience in areas such as oncology, nephrology, and pediatrics.

When you register for AfiniTRAC, you will be matched with one of our Care Champions who will provide you with support and education throughout your AFINITOR treatment journey.

## “ How Can AfiniTRAC Help? ”

*I recently helped one patient who had started AFINITOR® (everolimus). Within the first month of therapy, she moved, changed doctors, and acquired a new insurance policy. I was able to help the patient throughout the entire process without her missing any doses.*

**—Robin, AfiniTRAC Care Champion with 20 years' nursing experience**
